

Mahjong Cheat Sheet

Goal: Complete one line exactly as shown on the card. You may change your mind during the game, but eventually pick a line and stick with it! 😊

The Charleston

Mandatory Charleston

Pass 3 Right, Pass 3 Across, Pass 1-3 Left

Optional Charleston

Pass 3 left, Pass 3 Across, Pass 1-3 Right

Courtesy Pass

Exchange 0-3 tiles with the player directly across from you. Must exchange the same # of tiles

Each Turn

1. **Draw ONE Tile**
(does it help your hand? keep it)
2. **Discard ONE Tile**
(place an unwanted tile in the middle)

Calling a Tile

You may call a discard for:

1. **an exposure**
(set of at least 3 like tiles. tiles must be exposed on rack)
2. **Mahjong**
(may call for a pair)

When in doubt, refer to your line!
